

BOOZE AND DOPE VICTIMS COME FIRST IN HENRY FORD'S NEW HOSPITAL

Where Ford gives employes new chance. In this hospital in Detroit, just built by Henry Ford, employes who are drug or booze victims will be given expert treatment and a new chance to make good on their jobs.

BY IDAH M'GLONE GIBSON

Detroit, July 31.—The hospital which Henry Ford is building in Detroit will not be formally opened until September, but already they have ar-

anged a few rooms to take care of alcoholic and drug addicted patients.

"Why do these patients come first?" I asked Mr. Ford.

"Possibly because they have the
